

Westerties
Marste Rd.,
Haltburn.

Dec. 31st 1934.

Dear Vera,

School is not to re-open until
Jan. 21st owing to the diphtheria epidemic.
There is a remote possibility that you
may be sent elsewhere, so be prepared if
you hear anything, to go at once, not in the
afternoon, or you may lose half a days
pay.

My best wishes for 1935.

Yours sincerely,

C. Leake
